RE: SUPPORT FOR ASSEMBLY BILL 1145, “TRISTIN’S BILL”

Dear Assemblyman Gonzalez,

I am writing to express my support for Assembly Bill 1145, known also as “Tristin’s Bill.”

I am a resident of the 36th Assembly District and support your effort to improve safety on the State highway system, specifically Highway 74 through the Mountain Center and Pinyon areas. I join Anza Electric Cooperative’s efforts to help support AB 1145.

Thank you for your work on behalf of the residents of the 36th Assembly District.

Sincerely,
